MEASURING and HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to the Trial Secretary that their dog has a valid jump height card as part of the check-in process. Thus, this change eliminates the need for a copy of the jump height card to be submitted with the entry form.

In accordance with AKC regulations, all dogs must indicate on the entry whether they have a permanent jump height card, temporary card or need be measured on the entry. All unmeasured dogs must be measured before they can run. All exhibitors and/or handlers are responsible for entering their dog in the proper height division, A VMO may or may not be present.

NOTICE TO EXHIBITORS

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all safety obstacles safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Ft Detroit GWPC and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The Ft Detroit GWPC reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the FDGWPC or any official thereof.

All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course.

Puppies under the age of 4 months are strictly prohibited from the premises.

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee.

Bitches in season are not permitted to compete in Agility Trials. As such, the club will refund the entry fee minus \$10 a day for bitches unable to compete for this reason upon presentation of a veterinarian certificate. This certificate must be presented to the Trial Secretary prior to the start of judging on the first day of the trial or cluster of trials. **No other refunds will be issued.**

*This club does not agree to arbitrate claims as set forth on the Official
AKC Entry Form for this event.*

CLASS CHANGES EFFECTIVE January 1, 2020

Jump Heights Within the Same Trial Day

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend. When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Entering For Exhibition Only (FEO)

FEO will allow exhibitors to work with their dogs in a trial environment. **FEO is only allowed in the Time 2 Beat and FAST classes.** Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line.

Day of show jump height changes are not allowed.

Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

Toys are allowed in the ring

Toys must be non-audible

Toys may not leave the handler's hand

Toys that roll freely cannot be used

Food/treats are not allowed in the ring

FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.

A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG)

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

**For Exhibition Only (FEO) and Fix and Go On (FNG)
available at this trial**

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners SM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
